25 April 2022

Norway

The Norwegian public sector

- 16 sector ministries
- 60+ agencies
- 356 autonomous municipalities

The Brønnøysund Register Centre - Dörthe Koerner

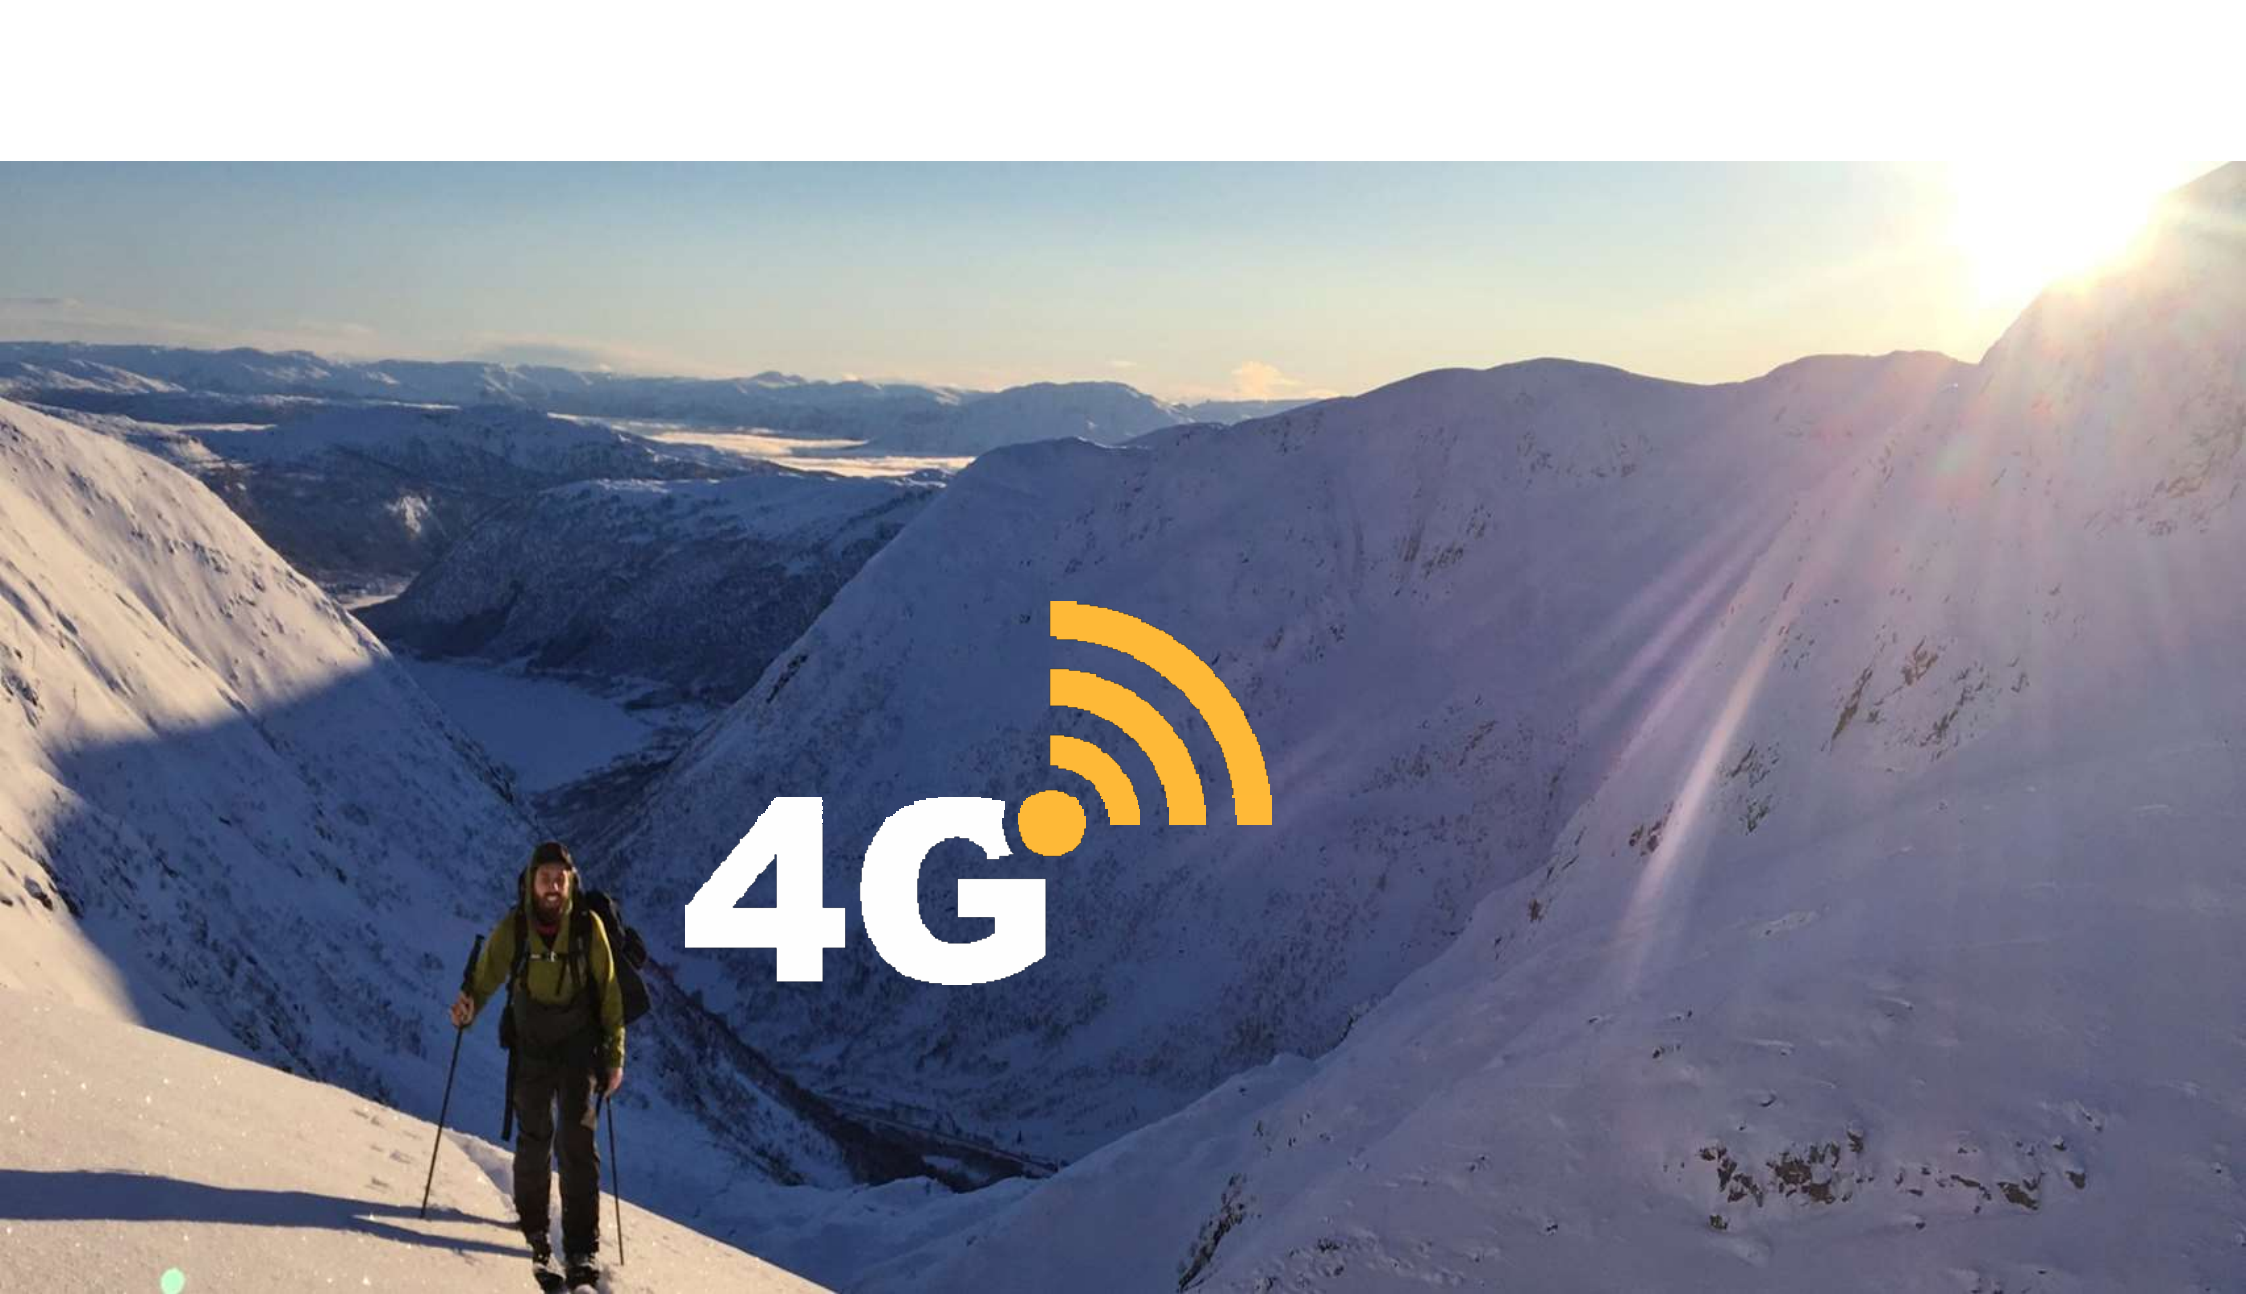

5 May 2022

Norway

5,4 million inhabitants

100% of the citizens use public digital services

A nationwide infrastructure!

The Brønnøysund Register Centre

 The Brønnøysund Register Centre

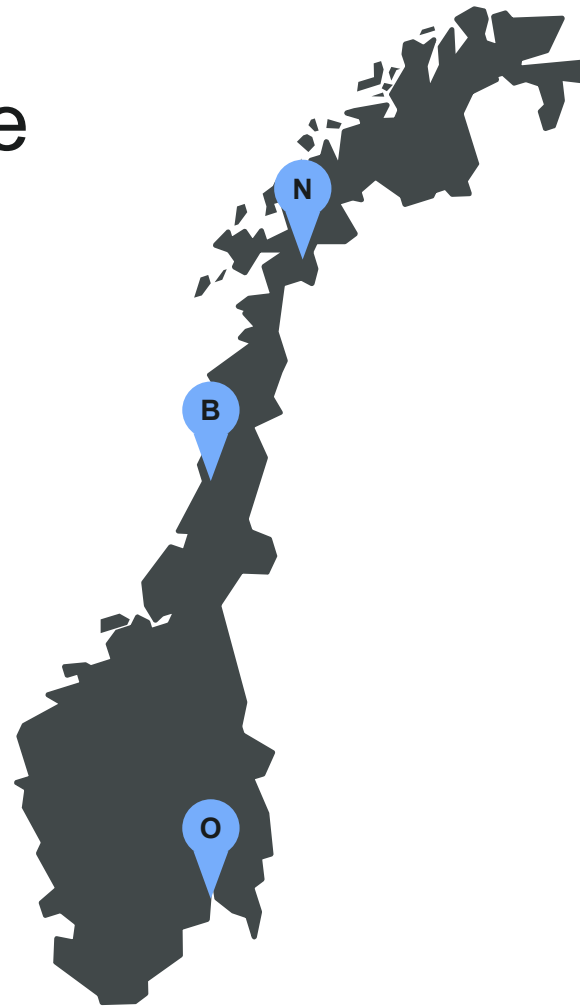

The Brønnøysund Register Centre

We are 430 employees and most of us work in Brønnøysund

We have also locations in Narvik und Oslo

Trust

Registries building **trust** in society that **registered data are secure and correct.**

Efficient interaction

Solutions enabling **efficient digital interaction** with the business, public and non-profit sector as well as individuals

**Cooperation -
Our Strength!**

Increased value creation through cooperation

- Cooperation with actors from the private sector
 - financial sector
 - Building sector
 - Digital Sector Development: Aquaculture and Agriculture
- Central for increased value creation
- Enhance cooperation with «central life-events»
 - «Starting and managing a business»
 - «Starting and managing a voluntary organization»

Challenges

- Who takes the initiative?
- Who will have the benefits?
- Can you trust the others?
- We might fail.
- «Small is beautiful»

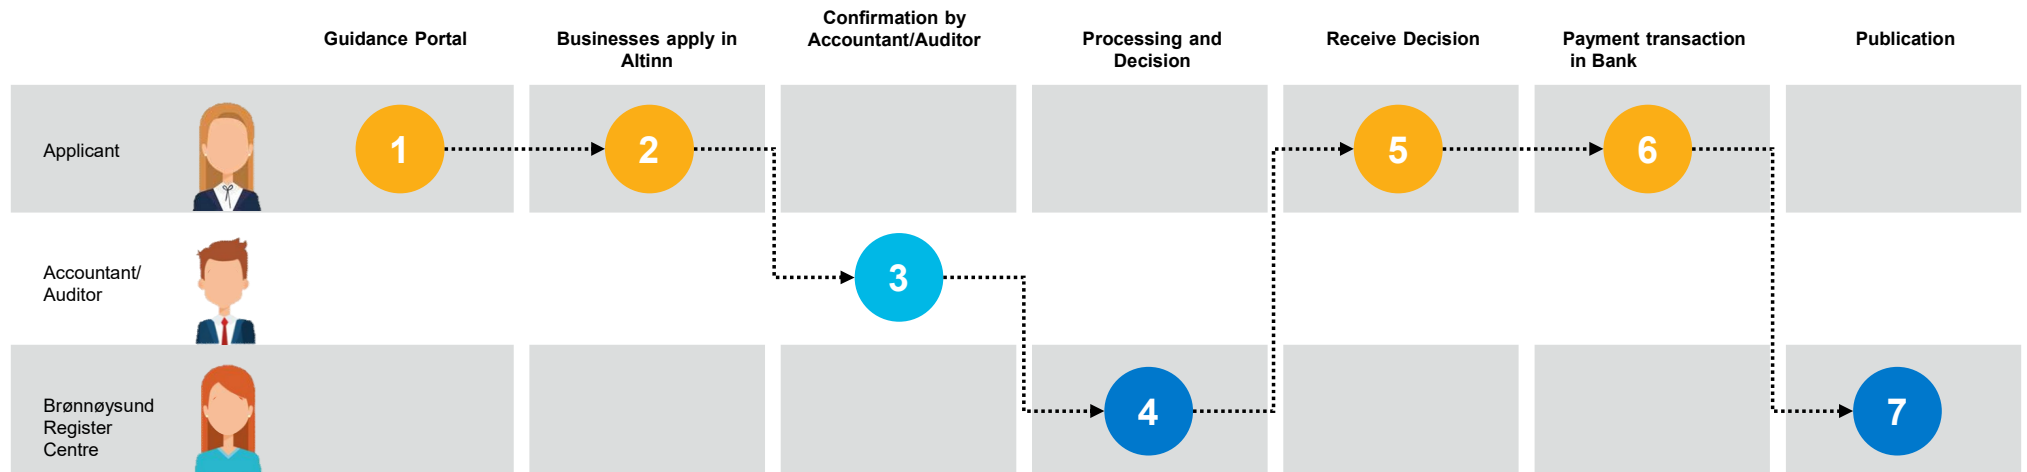

COVID19 business support scheme
